Graham from Sportscape said: "We have recently completed a day of gardening for Cake & Company that was arranged through Hannah at Sunderland VSA. The day went well and we were able to tidy the grounds and complete some general gardening tasks despite the rain. Kathy from Cake & Company is a credit to the community and it is always a pleasure to support her in any way that we can. Volunteering and giving back to the community is a vital part of our company ethos and we encourage all businesses from across the area to engage, you will not regret it!"

Kathy from Cake & Company said: "The members from Sportscape have been a joy to know. They were all polite, worked hard with confidence and even in the rain kept going until our voluntary gardener stopped them and offered refreshments. Sportscape and Graham are doing a super Community job and we look forward to having them again in the Summer when the weather hopefully will be better."
