

Brighten Your Space – and Your Community

A leading probate genealogy firm, committed to delivering meaningful social value, is offering £250 worth of plants, flowers, and bulbs to one lucky organisation.

While they specialise in tracing missing beneficiaries, locating unclaimed assets, and resolving complex estate matters, they also believe in giving back by helping local communities grow, quite literally!

By planting vibrant flowers, fragrant shrubs, and seasonal bulbs, you'll not only create a more beautiful space but also:

- **Support biodiversity** – attracting bees, butterflies, and other pollinators.
- **Boost wellbeing** – green spaces improve mood and encourage community pride.
- **Help the environment** – contributing to Sunderland City Council's goal to be Carbon Neutral by 2040.

Let's make Sunderland greener, cleaner, and more colourful – together.
